F5	Gravity Outlaws	1		15
	S5 2			
	S5 3			
	S5 4			

[sc] denotes a gravity sidecar

Since the runners in groups C to H had effectively already qualified for the quarter finals, they were combined into groups of 4 for round 1 to save time.
Group C was combined with group F, D with G and E with H

Gravity Outlaws were eliminated after the first round, but were run in the slot vacated by Alford to save time and to give them some company on the hill
